**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm saying NO to price hikes that will increase the cost of internet and telephone services. Competition is healthy for consumers and having a monopoly will simply allow big corps to gouge the average consumer! Please allow healthy competition amongst businesses. Competition is everywhere, and so should internet and phone providers!
